BETTER CROPS WI

The Pocket Book

TABLE OF CONTENTS

JANUARY 1955

Rural Reading ..... *Jeff McDermid* 3
The Net Worth of Soils in the Northeast ..... *C. L. W. Swanson* 6
Summary of Ten Years' Work with Complete Fertilizers on Sugar Cane ..... *M. B. Sturgis and D. S. Byrnside, Jr.* 11
Nitrogen-Use Accentuates Need for Minerals ..... *C. J. Chapman* 15
Guides to the Management of Illinois Soils ..... *M. B. Russell* 18
The Soil Profile's Contribution to Plant Growth ..... *Jackson B. Hester* 24

FEBRUARY 1955

Formula Farming ..... *Jeff McDermid* 3
Seven Steps to Good Cotton ..... *T. M. Waller* 6
Apparent Fertility Trends in Western Irrigated Soils ..... *H. D. Chapman* 11
Shortages of Potash Limit Michigan Grape Yields ..... *R. Paul Larsen, A. L. Kenworthy, and Harry K. Bell* 13
Fruit Fertilization in New Jersey ..... *Ernest G. Christ* 17
South Carolina's Peach Industry Adopts New Ideas ..... *R. J. Ferree* 21
What Determines Forage Quality? ..... *Marshall E. McCullough* 24

MARCH 1955

Spring Meanderings ..... *Jeff McDermid* 3
Soybean Production in the Southern States ..... *Edgar E. Hartwig* 6
Possibilities and Limitations of Irrigation in the Southeast ..... *Coyt Wilson* 11
The Pacemaker Club Grows More Corn ..... *H. R. Lathrope* 13
Using Soil Tests to Predict a Probable Response from Fertilizer Application ..... *J. W. Fitts* 17
Zero Grazing ..... *M. A. Sprague* 21
N-P-K for Deciduous Fruit Trees ..... *M. E. McCollam* 22
Soil Testing Moves Ahead in Arkansas ..... *R. L. Beacher* 25

APRIL 1955

That Agricultural Wake ..... *Jeff McDermid* 3
Potash Prevents "Curl Leaf" of Sour Cherries ..... *F. A. Gilbert* 6
North Carolina Farmers Prepare for Cut in Usual Income ..... *F. H. Jeter* 11
Greener Pastures Mean Better Living ..... *Winston A. Way* 13
Leaf Analysis Reveals Potash Need in Southern Oregon ..... *George A. Wickstrom and Grant H. Braun* 17
Fertilizer Recommendations—Burley Tobacco—1955 ..... *Fertilization Committee of the Burley Tobacco Workers, 1954* 21
Planned Nutrition for Canning Tomatoes ..... *J. H. Osborn* 23

MAY 1955

A Bear-killer's Politics ..... *Jeff McDermid* 3
The Production of Sugar Beets on Organic Soils ..... *J. F. Davis* 6
What Is Happening to Our Citrus Soils? ..... *H. D. Chapman and R. B. Harding* 11
Pasture Improvement Through Renovation ..... *M. A. Sprague* 15
Azalea Fertilization ..... *Tokuji Furuta and Charles W. Bell* 21
Soil Improvement Pays in Large Figures ..... *H. J. Snider* 25

ITH PLANT FOOD

ok of Agriculture

January 1955 to December 1955

JUNE-JULY 1955

Twentieth Anniversary ... *H. B. Mann* 3
The American Potash Institute, What It Does—How It Works ... *J. D. Romaine* 4
Potash in the South ... *J. Fielding Reed* 10
Potash in the Northeast ... *S. D. Gray* 13
Potash in the Midwest ... *W. L. Nelson* 17
Potash in the Western States ... *M. E. McCollam* 21
Potash in Canada ... *R. P. Pennington* 24

AUGUST-SEPTEMBER 1955

On the Milk Route ... *Jeff McDermid* 3
Residual Fertility Insures Alfalfa After Drouth ... *P. E. Johnson* 6
How to Grow Corn Profitably ... *Lamar Ratliff* 12
A Good Summer Grass Team ... *T. G. Amason and B. F. Karick* 14
Plan Before You Fertilize ... *John E. Baylor* 19

OCTOBER 1955

Remembered Roads ... *Jeff McDermid* 3
Fertilizers Will Cut Production Costs ... *C. J. Chapman* 6
Improved Water-disposal Systems ... *O. C. Medlock* 13
Fertilizing for Better Apples ... *Charles H. Blasberg* 15
Las Vegas—Hydroponics Headquarters ... *John M. Fenley* 20
Sod Seeding Improves Pastures ... *W. R. Thompson* 23

NOVEMBER 1955

Rambling at Random ... *Jeff McDermid* 3
A New Day in Peanut Production ... *E. T. York* 6
Rootstock Influence on the Potassium, Calcium, Magnesium Nutrition of Citrus ... *A. Wallace and R. L. Smith* 9
More Efficient Fertilizer Use by New England Farmers ... *R. A. Struchtemeyer* 15
High-protein Corn May Help to Solve Feeding Problems ... *W. B. Nevens* 19
Zinc Deficiency of Corn in Tennessee ... *Eric Winters and W. L. Parks* 23
Missouri Near Top in Fertilizer Use ... *O. T. Coleman* 26

DECEMBER 1955

A Few Live Embers ... *Jeff McDermid* 3
Potassium Deficiency of Alfalfa in California ... *W. E. Martin, Albert Ulrich, Morton Morse, and D. L. Mikkelsen* 6
Sheep Production in the South ... *Fred J. Hurst* 13
Nitrogen Influences Intake of Other Nutrients by Plants ... *E. O. McLean* 17
Soil Sample Information Sheet Is Important ... *William A. Seay* 19
Why More Alfalfa? ... *R. E. Blaser* 23
